. . . to him the deed is everything, the fame of it is nothing . . . politeness costs him nothing, yet, for him it gains everything . . . his character is simply a habit long continued . . . because of these valuable traits which were so graciously shown to us in '54-'55, we, the Senior Class of 1955, dedicate this volume of THE INDIAN to . . . . .

## FINAL THOUGHTS

As we think of all the years gone by  
We Seniors think of Haw River High,  
Of all the fun and happiness in the past  
And of all the years that have gone by so fast.

Our hours of happiness often few,  
But we have enjoyed being with you;  
And to all our teachers who have worked so long  
Trying to teach each one of us right from wrong.

May we say to our classmates so true,  
We shall not forget the years with you.  
It's been a pleasure working and studying here,  
And as we leave you classmates it brings a tear.

Honest and true right down to our hearts,  
It will be so hard for us to part.  
As the time draws near for us to say goodbye,  
We will never forget you, HAW RIVER HIGH!

## FAREWELL TO THEE

Proudly we will sing of our dear school,  
And we'll remember thee always.  
When we're gone, oh please remember us,  
And the song we sing on Graduation Day.

Farewell to thee, farewell to thee,  
The thoughts of thee will always be remembered.  
Tho we must leave, oh! please remember us,  
Until we meet again.

Sweet the thoughts we bear away with us,  
Dear memories of the happy past.  
And tho now we whisper, fare - thee - well,  
Yet we know we shall meet again some day.

Farewell to thee, farewell to thee,  
The thoughts of thee will always be remembered.  
Tho we must leave, oh! please remember us,  
Until we meet again.

## *Senior Class Prophecy*

Who was it who said that there were no signs of success in the hearts and minds of those 1955 Seniors of "good ole Haw River High?" Was it you? Ah, yes, no doubt. But do you know while preparing for my summer vacation I decided to find as many of my fellow graduates as I could.

Incidentally, I am Iris Jones and am now doing secretarial work in Greensboro.

My first desire was to go back to Haw River. My first stop was at Roach's Service Station. I thought the name sounded familiarly and it happened to be Buck Roach who was owner and operator of the station. He told me that he owned several other stations and that the other Seniors of '55 were doing very well. I was very anxious to know what my other classmates were doing, and he gave me a run-down on them. Nancy McBride and Elaine Sykes are both hard working secretaries saving their money for that long awaited Hawaiian cruise. Tommy Oldham is the minister of the Baptist Church and just recently tied the knot for Barbara Lloyd, Gail Isley, Inez Tew and Vivian Baker. Gail, Inez, and Vivian are living in different states, Barbara is still a southern gal. Freddie Cole is living on a farm at Hawfields and liking it! Carl and Currie Clayton make real cute sailors and Jack Trollinger is a sergeant in the army. Those two ambitious lads, Stanley Mullis and Alfred Fogleman are tops in their chosen fields. Al is a successful newspaper editor, and Stanley is the president of Burlington Mills having recently designed a new material. Richard Apple is now the owner of Burlington Roofing Company, and Allen Harder, Jerry Piper, and Eddie Baker own a motor company in Winston Salem. Ruth Dixon is doing psychiatric work in Durham, and Edna Humphries is the owner of a dress shop. Carl Dawson now owns the drugstore in Haw River, and Nancy Cates owns a drive-in restaurant which is doing very well. Jimmy Parks owns his own repair shop, and Connie Riley is doing private secretarial work at a large firm in New York. Buck told me that A. D. Ellington got away from it all and joined the Foreign Legion.

Finally we departed, each going his own way, with a feeling of closer unity and the knowledge that our classmates have found their places in the world.

## *Class History*

We are ending our tour. We have now reached the destination toward which we have been striving throughout our school lives. We are putting our school days behind us as we enter the world on our own. But through the years to come we will often live our school days again . . . . . in memory. Memories of our teachers trying to prepare us for the future. Memories of our fellow students whose friendship and bright ideas we have shared in all our past work and play.

We were treading new paths, opening new doors. How well we remember that year 1951 when we started as Freshmen on the four years of High School Education. The excitement of changing classes, of being part of that great throng in the halls, of getting into the school clubs, and having our first real taste of study will be imprinted on our hearts always.

We felt like veterans when we entered the Sophomore Class and settled down to the hard work that was to determine so much for the next two laps of the journey. After much effort our Christmas Prom was very successful.

Now . . . only two years were left . . . the really big two and we entered the Junior Class enthusiastically. Our first class meeting and being next to the most important persons in the school left us breathless, but very happy.

The first highlight of the year was the Junior-Senior Banquet. Preparing for this great occasion had us feverish with excitement. The sale of magazines to sponsor our Banquet, our theme, the hard work of decorating, and then the Big Night.

The next highlight was receiving our class rings, the sure sign of only one year left to go.

All too quickly we started on the final lap of our tour, our Senior year. Misgivings were felt at the realization that the ending of this meant separation, the breaking up of our class to go on our different ways. We began the year with a grim determination to make this last year at H. R. H. S. the biggest, most successful and outstanding one of our school career.

The choice of seniors for club presidents, the election of our class officers, the Senior Play Cast, all examples of the hard work of preceding years, left us all feeling very dignified and responsible.

As during the preceding year the greatest occasions was our Washington trip and the Junior-Senior Banquet. At the Banquet we had the pleasure of being entertained by the Juniors, soon to be taking our place. This was the last meeting of our class, our under classmates, and our teachers. The climax of our year had arrived . . . . . Graduation.

Never in all our happy-go-lucky lives had we stopped to think of the many pleasures we were enjoying together. A dimness now shadows the bright feeling as we say good-by.

Each must go his own way, to work or to college, but always we will remember and have affection for each other as we follow our separate stars through life.

## Boys' Basketball

First Row: Billy Boggs, Buddy Boggs, Bobby Roach, Charlie Bosquet, Mike Clayton, Paul Coffin, Tommy Oldham, Buddy Ray, Red Hughes. Second Row: Coach Art Claar, Cookie Midkiff, Frank Bosquet, Carl Bryant, Tommy Sykes, Roger Jones, Buck Roach, Allen Harder.

Under the direction of our new coach, Art Claar, we have had a very successful season, so far, winning six games and losing none.

At the beginning of the 1954-55 season we elected Buck Roach and Tommy Sykes as Co-Captains.

The starting line-up consists of: Forwards, Buddy Ray, Frankie Bosquet. Center, Tommy Sykes. Guards, Buck Roach, Bobby Roach. The main substitutes are: Roger Jones and Tommy Oldham.

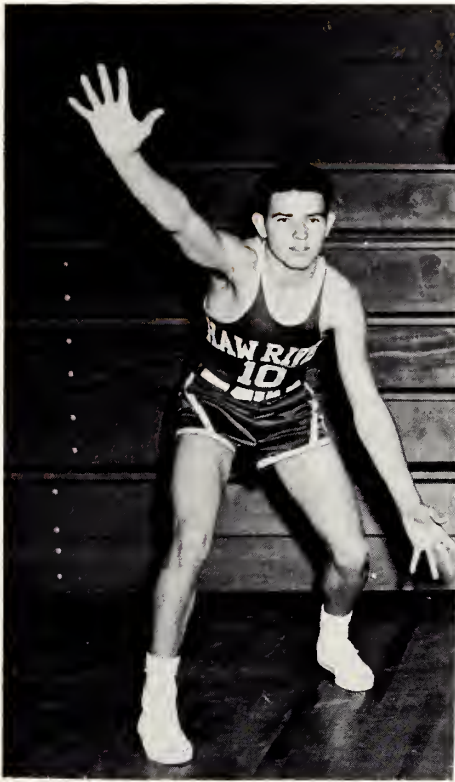

The rest of the team consists of: Buddy Boggs, Charlie Bosquet, Mike Clayton, Paul Coffin, Clark Midkiff, Carl Bryant, Allen Harder.

Buddy Ray is leading the scoring, but the other starters are holding their own, usually hitting in the double columns.

Our closest game, so far, was with Sylvan. The score was tied 49-49 with five seconds left to play in the game, when Tommy Sykes scored the final field goal. Frankie Bosquet played his best game scoring ten points.

Our biggest thriller was with Graham. It was touch and go throughout the game. With the brilliant floor play of Bobby Roach, the rebound control of Buddy Ray, and the last minute scoring of Buck Roach, we won the game 62-53.

The Haw River footballers started out with great enthusiasm on August 15, 1954. We had only four Seniors on the team. Our new coach, Mr. Art Claar really worked us on the first day of practice, but everyone came through in fine shape. Stan Mullis was elected Captain and Tommy Oldham and Buddy Ray were elected Co-Captains.

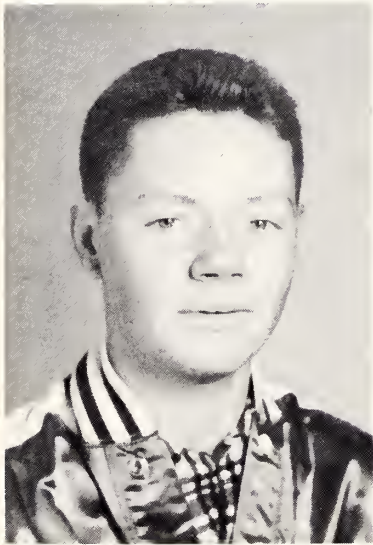

We started the season off with a game with Griffith. We overwhelmed them with our powerful ground attack and went on to take the victory. Buddy Ray was outstanding with his swift running. 18-0

Oxford Orphanage was our next game. They proved to be too powerful for us and we ended up with a defeat. Alfred Fogleman and Stan Mullis stood out in that game. 0-24

Our first conference game was with Bethel Hill. Again our attack was too much. We had another victory in the bag. Dick Apple and Warren Riley were outstanding in this game. 20-7

This years game with E. M. Holt was a very important game for both teams. It was a hard fought battle with Holt coming out the victor. Bobby Roach and Jimmy Coble were our top players that game. 0-20

Next on the list was Rankin. This was our second encounter with this powerful team from Guilford County. Rankin edged us out by a score of 7-6. Roger Jones paced our defense.

We played Mebane, our arch rivals, next. This was one of the best games our team played all year. In the closing minute of the game Mebane kicked a field goal to win 17-14. Frank Bosquet played his best game against Mebane.

Alexander Wilson was next on the list and they did it again. It was a hard fought battle, but we were defeated the same as last year by a score of 7-6. Tommy Oldham paced our defense.

The Helena game came on a rainy night. The field was muddy, but the Haw River team seemed to like the mud. We walloped Helena. Don Coffin and Tommy Sykes were outstanding that game. 47-7

It seemed like we had hardly started the season when our last game came around. It was with Ossipee. We had plenty of bad breaks but managed to get another victory. 14-7

This year was enjoyed by all the football team. Our new coach really helped the team and most of the boys will be looking forward to playing again next year. We placed two players on the All Mid-State Conference Team. They were Buddy Ray and Richard Apple.
